JOINT MOTION TO EXTEND DISCOVERY DEADLINE

Now come the parties and move that the period of time to complete discovery be extended to July 15, 2006, and as cause therefore states:

1. The parties are still in the process of completing discovery. Because of the large volume of material and the number of depositions to be completed, especially considering that some individuals are not in the area, the parties need additional time to complete discovery. Discovery was scheduled to close on May 22, 2006.
2. The parties further move that all other deadlines as set out in the prior Court Order be extended by forty-five (45) days.
